

Environmental Policy

D. G. Controls Ltd is committed to achieving sound environmental performance by controlling the impact of our activities.

The company philosophy is one that recognises the need to contribute to reducing environmental impact as part of its strategy.

SPECIFIC COMMITMENTS

Waste reduction and recycling by all means possible
Conservation of resources by ensuring sensitive usage
Phasing out, where practical, any ozone depleting activity
Compliance with all relevant legislation
Encouraging employees and contractors to consider the environmental impact of any activity.
